GETTING TO THE STADIUM

BY CAR

The stadium is off the A4074 and is signposted on all major approach roads to Oxford with the brown “attraction” sign showing a football icon. For Satnavs, use postcode OX4 4XP. The stadium has unreserved spaces for around 2,000 cars at each game. Parking is free of charge and on a first come, first served basis. If the main car parks are full, you will be directed to the overflow carpark which is past the VUE cinema and club shop. Visiting fans should head for car park B1 or G2 (see map).

OFFSITE PARKING

There is some road parking near the ground with spaces between the stadium and the Watlington Road roundabout. Supporters should respect the residents’ only schemes that operate in the nearby streets, as well as the double yellow lines on approach roads. The restrictions apply to the wide grass verges as well as the roads.

FANS’ PARKING TIP

Arrive as early as possible to get a parking space – there is only one road into the site, so the queues can become lengthy as kick-off approaches. We share the car park with other facilities on the complex, including a cinema and bowling alley, and there can be a wait to exit the car park after the match. Be very careful with road parking and do not park on the grass verges – you will be very likely to get a parking ticket.

SUPPORTERS' COACHES

Away coaches and minibuses should head to Car Park B1 via the main entrance, where they be directed to park in a designated area, please follow stewards' directions. They will be escorted out of the ground after the game, shortly after the final whistle.

BY TRAIN/BUS

The nearest station is Oxford (OXF). If you arrive at Oxford Parkway (OXF), we suggest you take a connecting train to Oxford Station which is approximately five miles from the stadium.

From Oxford Station both the City5 and Stagecoach1 bus services run every five minutes from bus stop R2 to Sandy Lane West. The journey takes around 40 minutes and then it is a 15 minute walk to the stadium (see City 5/ Stagecoach 1 Timetable).

From Oxford City Centre the 3A runs every half hour from bus stop E1 near the Westgate shopping centre, and Oxford High Street stop T2. It takes around 35 minutes and stops at Grenoble Road on the south side of the stadium.

These services are not operated by the football club and are subject to change: please check [HERE](#) for up to date information before setting off.

Taxis will take around 20 minutes to get to the ground from Oxford station and will probably cost around £15 - £20.

DISABLED SUPPORTERS

There are thirteen wheelchair bays on a raised platform in the away section, all with excellent views of the pitch. The away concourse has an accessible toilet (stewards have RADAR keys), and low level counters serving hot and cold food and drink.

There are several marked blue badge bays near to each stand on a first come, first served basis. The most convenient for away supporters is in the north-west corner, accessed through car park B1.

Please contact our Disability Liaison Officer, Tom Phillips at tphillips@oufc.co.uk for more information.

INSIDE THE STADIUM

Away fans are seated in the North Stand along the side of the pitch. There are no standing areas in the Away End.

Supporters may be permitted to bring musical instruments into the ground if they obtain prior permission from the Club's Safety Officer. Please contact Michelle Walton at mwalton@oufc.co.uk

SMOKING

The stadium is a smoke-free zone: and smoking or the use of electronic cigarettes is not permitted inside the stadium.

There is usually a smoking pen available for use at half-time only.

SENSORY ROOMS

For young people under 23 who need to take some time out, we have a specially equipped sensory area. Speak to a steward if you need to use this facility, or to find out more contact our Disability Liaison Officer, Tom Phillips at tphillips@oufc.co.uk
